Dispatcher/Officer,

This letter updates and supersedes the letter dated January 8, 2021 regarding Peddlers.

Door-to-door peddling has been allowed to resume since many COVID restrictions have been lifted. The following Peddler's have pulled permits and are allowed to sell their wares/services within City limits:

Wiper Guys - @ Family Video lot, Ridge Road
Dilbert's Legacy, LLC – snow removal, painting and lawn care.
Community Partner's – Solar Information.
Spectrum – 18 employees going through the City.

Any other reported peddlers/solicitors do not have a valid permit and should not be selling/peddling their wares/services.

This list will be updated as necessary.

Regards,
